

That's Why I Love You

Anne Murray

When you have to look away
When you don't have much to say
That's when I love you
I love you just that way.
To here you stumble when you speak
Or see you walk with two left feet
That's when I love you, I love you endlessly
And when your mad cause you lost the game
Forget I'm waiting in the rain
Baby, I love you, I love you anyway.

'Cause here's my promise made tonight
You can count on me for life
'Cause that's when I love you
When nothing you do can change my mind
The more I learn the more I love
The more my heart can't get enough
That's when I love you,
When I love you no matter what.

So when you turn to hide your eyes
'Cause the movie, it made you cry
That's when I love you, I love you
A little more each time
And when you can't quite match your clothes
Or when you laugh at your own jokes
That's when I love you,
I love you more than you know
And when you forgot that we had a date
Or that look that you give when you show up late
Baby, I love you , I love you anyway.

So here's my promise made tonight
You can count on me for life
'Cause that's when I love you
When nothing you do can change my mind
The more I learn the more I love
The more my heart can't get enough
That's when I love you, when I love you no matter what.

Ohh, that's when I love you
When nothing baby, nothing you do could change my mind
The more I learn, the more I love,
The more my heart can't get enough
That's when I love you , when I love you no matter what.
Ohhhh, no matter what
