

# Who's Leaving Who

Anne Murray

Here we are with goodbye in our eyes  
Running out of reasons to try  
The leaves of change have fallen down  
With both of us wondering why

You're all alone but still it seems  
A thousand of miles apart  
The sense of time has shifted now  
And the end is beginning to start

'Cause I don't know the answers  
'cause I don't know the questions  
I'm just crying 'cause I don't even know

Who's leaving who  
Is it me  
Is it you  
Do you think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

Talk to me is there a chance  
Of working it out heart to heart  
When we get beyond our angry eyes  
Before everything else falls apart

'Cause I don't know the answers  
'cause I don't know the questions  
I'm just trying 'cause I don't even know

Who's leaving who  
Is it me  
Is it you  
You think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

Tell me who's leaving who  
Is it me  
Is it you  
Do you think we could change  
If we knew  
Tell me who's leaving who  
Is there anything left we can do  
Can you tell me who's leaving who

Tell me who's leaving who  
Is it me  
Is it you  
You think we could change  
If we knew  
Tell me who's leaving who  
Is there anything
