

You Light Up My Life

Anne Murray

So many nights I'd sit by my window
Waiting for someone to sing me his song
So many dreams I kept deep inside me
Alone in the dark, but you've come along

And you light up my life
You give me hope to carry on
You light up my days
And fill my nights with sun

Rolling at sea, adrift on the water
Could it be finally I'm turning for home
Finally a chance to say, hey, I love you
Never again to be all alone

Cos you light up my life
You give me hope to carry on
You light up my days
And fill my nights with sun

Cos you, you light up my life
You give me hope to carry on
You light up my days
And fill my nights with sun
It can't be wrong when it feels so right
Cos you, you light up my life
