You Light Up My Life

Anne Murray

So many nights I'd sit by my window Waiting for someone to sing me his song So many dreams I kept deep inside me Alone in the dark, but you've come along

And you light up my life You give me hope to carry on You light up my days And fill my nights with sun

Rolling at sea, adrift on the water Could it be finally I'm turning for home Finally a chance to say, hey, I love you Never again to be all alone

Cos you light up my life You give me hope to carry on You light up my days And fill my nights with sun

Cos you, you light up my life You give me hope to carry on You light up my days And fill my nights with sun It can't be wrong when it feels so right Cos you, you light up my life
