

# Slow Me Down

Anneke van Giersbergen

The best is yet to come  
But only if we run  
The race has just begun

We seek a better life  
But only if we die  
We'll find the deep blue water

I can't wait, hurry up, can't take a break  
Can't be late, hurry up and go  
Don't you slow, slow me down boy!  
(2x)

You try, you live, you love, you die  
You start, you wonder why  
You hold on to the past

You break, you go ahead and fake  
You realize there's so much more at stake  
One should not wait

Be kind, be good, be smart, be true  
Be bold, be loud, be you  
I'll race you to the top  
I honestly believe, we'll conquer this disease  
If only we could love

I can't wait, hurry up, can't take a break  
Can't be late, hurry up and go  
Don't you slow, slow me down boy!  
(2x)

I'll never know for sure,  
What is taking me this long to learn  
I'll never understand,  
But it feels to me like coming home

I can't wait, hurry up, can't take a break  
Can't be late, hurry up and go  
Don't you slow, slow me down!  
(2x)
