

## You Are Nice!

Anneke van Giersbergen

Oh you are nice  
Paradise  
I say it only twice  
Man you are nice

Your skin soft like veil  
Warm but pale

Oh you are great  
Fascinating  
I'll blow you out of my mind  
Damn you are fine

Your skin soft like veil  
Warm but pale  
Oh you are sweet  
Sweep me off my feet

Oh you are nice  
Para-holy-nice  
I'll say it only twice  
Man you are nice
