One Love

Annie Haslam

I saw you on the screen You stole my heart The moment spellbound me You played your part I was breathless as you spoke to me I rehearse my lines tonight For you're my

One love you are my one love Gone love over my head goes my heart One love you are my one love Gone love over my head goes my heart

Falling for you

You take me in your arms Your eyes meet mine I live each tender kiss A million times You're no ordinary fantasy All my hopes will come alive For you're my

Falling for you

You swept in and touched my soul Will you ever know Unreal though it seems I love you so

One love
