

## Little Bird

Annie Lennox

I look up to the little bird  
That glides across the sky  
He sings the clearest melody  
It makes me want to cry  
It makes me want to sit right down  
And cry cry cry

I walk along the city streets  
So dark with rage and fear  
And i...  
I wish that I could be that bird  
And fly away from here  
I wish I had the wings to fly away from here

But my my I feel so low  
My my where do I go?  
My my what do I know?  
My my we reap what we sow  
They always said that you knew best  
But this little bird's fallen out of that nest now  
I've got a feeling that it might have been blessed  
So I've just got to put these wings to test

For I am just a troubled soul  
Who's weighted...  
Weighted to the ground  
Give me the strength to carry on  
Till I can lay this burden down  
Give me the strength to lay this burden down  
Down down yea  
Give me the strength to lay it down

But my my I feel so low  
My my where do I go?  
My my what do I know?  
My my we reap what we sow  
They always said that you knew best  
But this little bird's fallen out of that nest now  
I've got a feeling that it might have been blessed  
So I've just got to put these wings to test
