

# Shining Light

Annie Lennox

Roman candles that burn in the night  
Yeah, you are a shining light  
You lit a torch in the infinite  
Yeah, you are a shining light  
Yeah, you light up my life

You've always been a thorn in their side  
But to me you're a shining light  
You arrive and the night is alive  
Yeah, you are a shining light  
Yeah, you light up my life

We made our connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany you burn so pretty  
Yeah, you are a shining light

You are a force, you are a constant source  
Yeah you are a shining light  
Incandescent in the darkest night  
Yeah you are shining light  
My mortal blood I would sacrifice  
For you are a shining light  
Sovereign bride of the infinite  
Yeah, you are a shining light  
Yeah, you light up my life

We made our connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany you burn so pretty  
Yeah, you are a shining light

And these are days you often say  
There's nothing that we can't do  
Beneath a canopy of stars  
I'd shed blood for you  
The north star in the firmament  
You shine the most bright  
I've seen you draped in an electric veil  
Shrouded in celestial light

We made our connection  
A full on chemical reaction  
Brought by dark divine intervention  
Yeah, you are a shining light  
A constellation once seen  
Over Royal David's city  
An epiphany you burn so pretty  
Yeah, you are a shining light

Yeah, you light up my life  
Yeah, you are a shining light  
Yeah, you light up my life
