Train in Vain

Annie Lennox

They say you stand by your man Tell me something I don't understand You said you loved me and that's a fact And then you left me said you felt trapped Well, some things you can explain away But the heartache's with me till this day

Did you stand by me? No, not at all. Did you stand by me? No way.

All the times that we were close I remember these things the most I've seen all my dreams come tumblin' down I can't be happy without you around So alone I keep the wolves a bay And there's only one thing I can say

You didn't stand by me No, not at all. You didn't stand by me No way.

You must explain Why this must be Did you lie When you spoke to me?

Did you stand by me? No, not at all.

Now I got a job but it don't pay I need new clothes I need somewhere to stay But without all these things I can do Without your love (- LOVE!) I won't make it through (Without you love I won't make it through) But you don't understand my point of view I suppose there's nothing I can do

(You) didn't stand by me No, not at all. You didn't stand by me No way.

You must explain Why this must be Did you lie When you spoke to me?

Stand by me, no way Stand by me, not at all Stand by me, no way Stand by me, not at all Stand by me, no way
