

I Want

Annihilator

I'm on top of the world and I will never fall
I can and will deceive you and trick you all
manipulation, well I ruin just for fun
there's no time for hesitation, it's time
time to get the job done
well I get just what I want, because I rule the land
I am invincible, you better understand
magic man, magic man, you can't stop the magic man
magic man, magic man, you'll never catch the magic man, magic m
an
I steal from the innocent by throwing dust in their eyes
so many stupid people, eating up my lies
well I get just what I want because I rule the land
I am invincible, you better understand
magic man, magic man, you can't stop the magic man
magic man, magic man, you'll never catch the magic man, magic m
an
the walls of the castle come a crumbling down
well I thought you were the king of the world
just a selfish, sickening maniac, so long
say goodbye to the world, you're gonna get what you deserve
well I get just what I want because I rule the land
I am invincible, you better understand
magic man, magic man, you can't stop the magic man
magic man, magic man, you'll never catch the magic man, magic m
an
