

## Who I Am

Annisokay

Who am I to force my destiny  
No I am fine, I wait patiently  
I have all the time in the world  
Footloose and fancy free

Who am I to force my destiny?  
Who am I to force my destiny?

Again it seems we meet  
I will take you out tonight  
Your hearts beating faster and faster  
The precious one underneath your bra  
The precious one underneath your bra

Who am I to force my destiny?  
Who am I to force my destiny?  
No I am fine, I wait patiently  
No I am fine, I wait patiently

Drifting away into the night  
You are right here, right next to me  
I never want this night to end  
'Cause I've got all my time to spend

Some may believe  
That someday there comes somebody nice  
That one will change your life tremendously  
To make it better in some degree

A taste of confidence in my mouth  
Is more than I can say  
There is only one thing that is sure  
It is you that I adore
