

Hot Night Hounds

Annuals

Do you like it?
Do you like to hear them howl?
Those hot night hounds

Do you want it?
It's not to be had
But I want it so

Do you feel it?
Do you feel the song down your throat?
Let it out, or let it choke

Can't you hear it?
Can't you hear it as it floats on by?
Shut your eyes and say goodbye
Goodbye
