

# Swing Low Sweet Chariot

Annuals

Well I looked over yawn  
and what did I see  
coming forth to carry me home?  
There was a band of angels  
are coming after me  
comin' forth to carry me home

Swing low  
sweet chariot  
comin' forth to carry me home

Well I'm sometimes up  
and sometimes I'm down  
comin forth to carry me home  
but I know my soul is heavenly bound  
is comin' forth to carry me home

Swing low  
sweet chariot  
comin' forth to carry me home

And you get there  
before I do  
comin' forth to carry me home  
tell all my friends that I'm  
coming too  
comin' forth to carry me home

Swing low  
sweet chariot  
comin' forth to carry me home

comin' forth to carry me home
