

Stand Up

Another Black Day

Stand up, walk with me
I know what you are
I cannot take much more of this game
I will not break. Won't you ever change?
I seem to always justify my life
You damn me every time I try

Stand up, don't you give up on me now
Stand up, don't you give up on me now
Stand up, don't you give up on me now
You're falling. Won't you stand up?

See me, clear your eyes
Don't push me aside
I cannot take much more of this game
I live in solitude. Will you ever change?
I seem to always justify my life
You damn me every time I try

Stand up, don't you give up on me now
Stand up, don't you give up on me now
Stand up, don't you give up on me now
You're falling. Won't you stand up?

Will you every try to change?
Will this always be the same?
Will we stand the test of time?
Or will we fail again?

Stand up, don't you give up on me now
Stand up, don't you give up on me now
Stand up, don't you give up on me now
We're falling. Won't you stand up?
Stand up...yeah.
Won't you stand up?
Stand up, don't you give up on me now
We're falling. Won't you stand up?
