

## From the heart

### Another Level

I know you've heard these words a hundred other times before  
And you've been hurt and so your heart has chose to close the door  
Love brook your heart and brought you lies  
Look in my eyes  
You'll see a love that's deep and true  
Tender and strong and all for you  
You can trust this love  
Honest, that's the honest truth

From the heart  
I'm giving you everything, everything  
From the heart  
I promise you that I'll be there  
I'll be there to love you  
From the soul  
I'm showing you all I feel, all I feel is  
From the heart, from the heart

I will protect you and respect you and be all you need  
And when you reach for love you'll only need to reach for me  
These arms will never let you down  
They're staying around  
I'll walk with you through every storm  
I'll keep you safe, I'll keep you warm  
And you'll have no doubt  
You're the one I'm living for

From the heart (from the heart baby)  
I'm giving you everything (oh)everything (giving you everything)  
From the heart (my heart)  
I promise you that I'll be there (I'll be there for you)  
I'll be there to love you  
From the soul  
I'm showing you all I feel, all I feel (I'm showing you)  
All I feel (all I feel) is  
From the heart, from the heart (from the heart)

I'll provide the love you need  
Just trust my touch  
Believe in me  
I'll never make you cry  
Givin' all I got with all I got inside  
From the heart

I'm giving you everything, everything (giving you everything)  
From the heart (from my heart)  
I promise you that I'll be there (I'll be there to love you, love you, ooh)  
I'll be there to love you (ohh)  
From the soul (my soul)  
I'm showing you all I feel (all I feel) all I feel (all I feel) is  
From the heart (the heart) from the heart  
Ooh, from the heart, from the heart...
