## **Birds**

Anouk

Isolated from the outside Clouds have taken all the light I have no control it seems my Thoughts wander all of the time When I try to Live life without you

Birds falling down the rooftops Out of the sky like raindrops No air, no pride

If being myself is what I do wrong
Then I would rather not be right
Hopes turn into fear and with my
One wing I can't fly with sunrise
Embrace my dreams tight and that's why

Birds falling down the rooftops Out of the sky like raindrops No air, no pride Birds

To a place without fear
With no moonlight
All I need are trees and flowers
And some sunlight
Where memories of being made aware
The old one dies
Where love ain't lost

Birds falling down the rooftops Out of the sky like raindrops No air, no pride

Birds falling down the rooftops Out of the sky like raindrops No air, no pride

That's why birds don't fly
