

# Daddy

Anouk

Awkward things come to an end.  
That's why I block my heart,  
And chain it to the wall  
Cause you haven't been there at all.

In time my house became a place,  
Where the wrongs were right.  
And the rights were wrong,  
With too much drama and pain.

Tell me are you proud of who I am,  
Can you please help me understand.  
Why you couldn't love me back,  
Forgiveness ain't that hard to grasp  
Daddy I need you here  
You say I  
I never meant to hurt you  
Baby girl you've got to believe me  
I never meant to break your heart  
I just don't wanted to love you  
Somehow i didn't know how to.  
I still blame myself.

Unable to receive the love  
and affection from you  
Like a daughter should  
It did far more damage than good

Holding grudges are a waste  
Life is way too short  
And I just want to let go  
Of all the things that I can't change

Now  
Tell me are you proud of who I am,  
Can you please help me understand.  
Why you couldn't love me back,  
Forgiveness ain't that hard to grasp  
Daddy I need you here  
You say I  
I never meant to hurt you  
Baby girl you've got to believe me  
I never meant to break your heart  
I just don't wanted to love you  
But somehow I didn't know how to.  
I still blame myself.

If I had just one more day  
No more promises were made  
I would hold you tight  
And tell you I love you anyway

If I had just one more day  
No more promises were made  
I would hold you tight  
And tell you I love you anyway

I never meant to hurt you  
Baby girl you've got to believe me  
I never meant to break your heart  
I just don't wanted to love you  
But somehow I didn't know how to.  
I still blame myself.

You should have been there  
You should have been there  
for me  
for me  
for me  
You should have cared for me  
Where were you baby
