

Don't

Anouk

No hurry, I'll be waiting
My baby, now don't you worry
I'll be fine

Just take your time
To make up your mind
Draw a line
Or flip a dime
Waiting for you

It's easy, if you want to please me
Don't tell me maybe
Come back home complete me

No strings attached
That's a promise I can't keep
So I waste my time
With lazy crazy dreaming
A sparkling wine
A twist of lime
A whiskey soda, hole in time
When you're not here

Don't say you're sorry
Don't say it
No
Don't say you're sorry
