

Feet on the Ground

Anouk

Baby if you're willing to wait a bit longer
'Cause every time we hang, it's getting stronger
Walking around for another day,
Please, wait a little while to my ake's away
Can you do that for me?!
It's been a few weeks, but it still hurts
Like forever
And there is only one way for us to be together
Gimme some time to ease MY SOUL
And baby after death like a good time roll!

I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!

Baby if you're willing to wait a bit longer
'Cause every time we hang, it's getting stronger
Baby, let me be who I wanna be
Oh, so I can fall to your feet
I could do that for you!

I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground!

Gotta Gotta Gotta be right this time
Yeah yeah yeah!
Do you feel it baby? Yeah
Heeey! Ey ey!
Do you feel it baby? I gotta be right this time
Gotta Gotta Gotta Gotta be right this time! Uuh!
