

Good God

Anouk

Surely I am winning but I won't
Claiming that I'll do it but I don't
Knowing I'll do anything that you want
Pretending that I am someone that I'm not

Good God, my mind won't let me thing right
I know you're trouble
But I'm determined to create these things up in my head
That never happen
In time I've got to choose
Freedom or loyalty
Look at what you have done
What am I gonna do?

So now that you have made a mess off me
You showed me stars that I have never seen
I know it's wrong why does it feel right
You haven't got me yet, but you might

Your smiling back at me I wanna do it
I wanna be with you let me get through it
But am I gonna make it back alive
Will you show me all the things that you can doooooo

Good God, my mind won't let me thing right
I know you're trouble
But I'm determined to create these things up in my head
That never happen
In time I've got to choose
Freedom or loyalty
Look at what you have done
What am I gonna do?

Yeah

Good God, my mind won't let me thing right
I know you're trouble
But I'm determined to create these things up in my head
That never happen
In time I've got to choose
Freedom or loyalty
Look at what you have done
What am I gonna do?

Yeah yeah yeah yeahhh
Yeah yeah yeah yeahhh
Yeah yeah yeah yeahhh
Yeah yeah yeah yeahhh
