

# Heaven Knows

Anouk

To this generation  
We cannot forget  
The ones that we have loved  
The ones we left behind  
Don't be afraid to reach out  
This world is changing fast  
For those who take a stand  
Heaven knows

We grieve in our life  
Don't let us pay the price (grief in our life, grief in our life)  
So much grief in our life  
It will fade over time (grief in our life, grief in our life)

Yeah to this generation  
It's hard to get along  
And we cannot deny  
The struggles through this life  
It won't do no good to wait  
We're running out of time  
For those who take a stand  
Heaven knows

We grieve in our life  
Don't let us pay the price (grief in our life, grief in our life)  
So much grief in our life  
It will fade over time (grief in our life, grief in our life)

Guilty for we turn the other cheek  
Guilty for not willing to achieve  
Come on happiness what's keeping you so long  
How can we forget

Yeah yeah yeah  
We grieve in our life  
Don't let us pay the price (grief in our life, grief in our life)  
Yes we grieve in our life  
It will fade over time (grief in our life, grief in our life)  
Yes we grieve in our life  
It will fade over time  
We grieve in our life  
Don't let us pay the price  
Oh yeah
