

Home Is In My Head

Anouk

I have drunk virginia water
I have dug my own gravesend
set my foot ashore in new port
travelled far beyond my landsend

and home is in my head
I have dived into a blackpool
with a maidstone around my neck
I just drifted into the southsea
with no hull beyond my deck

and home is in my head
well I have lost a wheel in barrow
try to cross the no one cambridge
when my liverpool grey shallow
had to dig more wells in turnbridge
