

# I Don't Wanna Hurt

Anouk

We're breaking things we can't repair  
None of us will take them blame  
No nothing can be done this time  
All the memories that we've made  
I threw them all away  
There's no need to talk it over  
Don't let me get you down  
Let's just move on  
I am setting you free

'Cause I don't wanna hurt no more  
I don't wanna make you go  
Through one more rainy day  
No I don't wanna hurt no more  
Strange enough I always knew  
I'm taking off today  
Don't wanna hurt no more

Darkness you left in my soul  
Now do we know how much we've lost?  
Will the moon be shining as bright as before  
And as I am singing this song  
The tears went up in my eyes  
And I will always wonder  
Why I will never have the life I wanted  
Now I'm letting it go

'Cause I don't wanna hurt no more  
I don't wanna make you go  
Through one more rainy day  
No I don't wanna hurt no more  
There's not much more to say  
'Cause it's to late now  
I won't hurt no more.

So I'll wait till morning comes  
You made it clear it's been only pain loving me  
Things that we don't do for love  
I am setting you free

'Cause I don't wanna hurt no more  
I don't wanna make you go  
Through one more rainy day  
No I don't wanna hurt no more  
Strange enough I always knew  
I'm taking off today  
I'm letting you go.
