If I Knew

Anouk

My words are waiting for tomorrow
Didn't I take the time to say I'm sorry?
And that we were fine?
If I knew it would be the last time
I would see you walking out the door
I'd give you hugs and kisses
and call you back for more
I would say I love you more then you will ever know
and hold you so close to my heart
Ask you never to let go

If I knew that this will be the last time that I see your face,
I would stop and say I need you every day
Now you're gone, my love
What do you say when words are not enough?!

I, I pray you're in a peaceful place
With God by your side, still can't believe it's true
I wasn't ready to say goodbye
Baby, I'm so lost without you
There's so much I wanted to say
I'm lost in a sea of time, but it's a little too late
I hope you knew I loved so
Each and every day!
Did you know you thought me to live to the fullest every day?!

If I knew that this will be the last time that I see your face,
I would stop and say I need you every day
Now you're gone, my love
What do you say when words are not enough?!
(If I knew that this will be the last time that I see your face,
I would stop and say I need you every day
Now you're gone, my love
What do you say when words are not enough?!)

Now you're gone, my love
Gone, gone, gone

Even on the darkest days and all my prayers nights
When my tears pour out like rain
You'd be the one to make me smile
Now, my days go by and I'm without you!

If I knew that this will be the last time that I see your face,
I would stop and say I need you every day
Now you're gone, my love
What do you say when words are not enough?!
