

# Jerusalem

Anouk

Sir can you tell me how to get to Jerusalem  
'Cause I have kinda lost my way

Sir will you help me get there as fast as I can  
Tomorrow might be too late

'Cause things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see  
People always tellin' me how sweet and simple life could be  
They say you might as well live before you die

But one thing I know for sure  
I am a danger to myself, how come  
Yeah one thing I know for sure  
I need some guidance, to get me out of this hellhole  
Jerusalem, can you help me find my way back to Jerusalem, yeah

It took me quite a while to get into Jerusalem  
'Cause I had kinda lost my way  
I want to save me from myself so here I am  
I hope it's not too late

'Cause things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see  
I am so afraid to love  
'Cause of the way I've been hurt before  
I think by now it's time for me to leave

But one thing I know for sure  
I am a danger to myself, how come  
Yeah one thing I know for sure  
I need some guidance, to get me out of this hellhole  
Jerusalem, can you help me find my way back to Jerusalem, yeah  
Jerusalem, can you help me find what I have lost

Things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see  
I don't wanna die this way  
Wishing that I could turn back time  
Wasted time, there is work to be done

But one thing I know for sure  
I am a danger to myself, how come  
Yeah one thing I know for sure  
I need some guidance, to get me out of this hellhole  
Jerusalem, can you help me find my way back to Jerusalem, yeah  
Jerusalem, can you help me find what I have lost, yeah, yeah
