

Looking for Love

Anouk

Baby I'm in need, where's the love of my life?
Is he hiding behind the moon?
'Cause I could use somebody who will treat me right,
Who'll shout it 'I love you too'
No, I cannot wait any longer,
Won't you please help me find my man?!
Where is the one who protect me from harm, who loves and understands?
If it's not happening anytime soon, then just fool me!

Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love

Baby I'm trying so hard to be content with the life the way it is
Still there's a short time for me that is left, and
It takes so much more that it gives!
Fall along too many nights, lost inside my hopes and dreams,
Longing for someone to be holding my arms
Won't ever can be a team?
If it's not happening anytime soon, then just fool me!

Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love

Someone to love
Someone to love
I am thorn in love
And will be loved again
I need someone to love, yeah!

Oh oh ooh ooh, looking for someone to love
Oh oh ooh ooh, looking for someone to love
I'm looking for someone to love
Oh oh ooh ooh, looking for someone to love
Give me someone to love
Oh oh ooh ooh, looking for someone to love
I cannot wait any longer
Baby just fool me
Yeah, just fool me baby
Looking for love
Baby just fool me
Yeah, just fool me baby
I cannot wait any longer
Baby just fool me
Baby just fool me
Yeah, I am looking for love!
