

# Sacrifice

Anouk

Who's the one that makes you happy  
Who's the one that always makes you laugh  
Who's the reason you're smiling  
And dragged you through these time, so rough

I was the one that made you happy  
I was the one that eased the pain  
But I'm the reason that you're crying now  
My own tears scattered by the rain

You can sacrifice me  
You can sacrifice me  
You can set me free  
You can be who you wanna be

Deeper than deep you took me on a trip baby  
You shared your wildest dreams and more  
You dare me to express my feelings to you  
I never felt that need before

But suddenly you needed freedom  
You felt the need to break free  
You started drowning in your sorrow  
You didn't wanna know I had the key

You can sacrifice me  
You can sacrifice me  
You can set me free  
You can be who you wanna be

You, you, you ...  
sacrifice me, sacrifice me, ...  
You can be who you wanna  
You can be who you wanna be
