This is the way

Well, to get her  
To get her, together  
This is the way  
To get her, together

Rrrrrraaawwrr  
Pickin' up the pieces  
Break it down and bring it up  
Pick it up and get her together  
This is the way, this is the way

This is how we get her together  
Toget-get-get, to get her together

Pickin' up the pieces  
Break it down and bring it up  
Pick it up and get her together  
This is the way, this is the way

To-ge-ge-ge-ge-ge-gether  
To-ge-ge-ge-ge-ge-gether  
To-ge-ge-ge-ge-ge-gether  
To-ge-ge-ge-ge-ge-gether

Rrrrrraaawwrr  
Pickin' up the pieces  
Break it down and bring it up  
Pick it up and get her together  
This is the way, this is the way

Pickin' up the pieces  
Break it down and bring it up  
Pick it up and get her together  
This is the way, this is the way

Pickin' up the pieces  
Break it down and bring it up  
Pick it up and get her together
