

You & I

Anouk

Who will I have to be
For you to be the one
So we can start a fire
Until the day comes
I'll be waiting here
If it takes forever
I will look to see
What lies ahead of me
Oh baby when I hear your voice
You're leaving me breathless
You're giving me no other choice
So baby I just let you know

I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I
I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I

Anywhere you wonder
Anywhere you go
I promise I will stay
Boy I love you so
There will be a time
When all the waiting's done
And doubts will disappear
They will be one by one
Oh baby when I hear your voice
You're leaving me breathless
You're giving me no other choice
So baby I just let you know

I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I
I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I

Keeping my heart for later
I'm keeping my heart for later
You and I

Do you feel me baby?
You feel me baby?

I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I
I'm keeping my heart for later
Keeping my soul alive
And I will wait a lifetime until it's you and I

Until it's you and I
Until it's you and I
