

# Stuck On You

Ant & Dec

Been a long time  
But I gotta just say  
Wanna tell you now  
That I'm stuck this way  
Been a long time  
But I gotta just say  
Wanna tell you now  
That I'm stuck this way  
Now listen to the words  
That are comin' through  
I got attention just for you  
Pull the phone  
Close the door  
And I'll tell ya  
What's long over do  
Another day  
Another night  
Another reason  
You'll find I sure do care  
Like a dog  
A dog on a lead  
I'm gonna follow you everywhere  
I will stay  
I'm gonna love ya  
Every step of the way  
(like dog, a dog on a lead)  
I will stay  
I'm gonna love ya  
Every step of the way  
(I'm gonna beg now)  
Nah nah nah nah nah  
Hey-e-ay-e-yeah  
Nah nah nah nah  
You know I'm stuck on you  
Nah nah nah nah nah  
Hey-e-ay-e-yeah  
Nah nah nah nah  
You know I'm stuck on you  
Com on girl  
C'mon move closer  
I gotta q! ! uench my thirst for you  
Settle down  
Poor the wine  
And I'll let you feel what's comin throught...  
A sumertime  
A summer shine  
A summer season  
You know you're gonna really take me there

I will stay  
I'm gonna love ya  
Every step of the way  
(like dog, a dog on a lead)  
I will stay  
I'm gonna love ya  
Every step of the way  
(I'm gonna beg now)
