

Bleeding Blasphemy

Antaeus

Eyes stuck to blade
See it cum
All is bone, all is bone
Despair - seen and witnessed through soul
You, worthless moronic cunt
Bleeding? blasphemies?
Cut and slash in Satan's name?
Razor running deep
Flesh dictate the unseen
Destroyed flesh for the lord
Blood dripping pulse?
Eradictate
(No? You can't? Too much pain?)
Hail Satan
Stream drifting away - through nk
Exorcised or emercised
Best in me? him rised...
