

# Illegal Angelz

Antaeus

Ripping the skies  
See them bring darkness  
Flying far from hope  
A journey without wingz

Unseen yet felt  
Nor wishing to been seen  
Those illegal angelz

Spreading unlight  
Oak covered  
Swallowed forgiveness  
Sin adorers, icons tied to a konfused past

Angelz of forseen disease  
Flying towards faith

Krushing values  
Raping idols  
Kreating the new world order

Divided soil between the altars  
Tomb of the katedral opens  
From this void  
An offer to beyond  
Kreators/Destroyers

Future sigils of truth  
Illegal angelz
