

# Xristik Throne

Antaeus

Worthless pieces of flesh  
So easy to use  
A simple tool used and abused  
Come over  
Time to achieve life

The cyclic twin dance  
Those with crystal glances  
Mind usurpers of xristik thronez

Injekting khaos - dreams flood

Payment under skin  
The cyclic twin dance  
Those with crystal glances  
Mind usurpers of xristik thronez

Engulf the whole I  
Angel becomes sinner

Oak covered  
Shine shine oh my tool  
Your moves dances with visions  
When i'll close my eyes  
Eroded statue with no expression  
Will wait for 5th apostles awakening

Lit the candles  
Kneel to the shrine  
Chantz the coming of the new seed  
Pray  
Pray  
Injekt injekt

For there will be no redemption
