I Got Through To You  
And Destroyed You To  
I Made You All Pay  
Cause You Did Obey  
You Didn't Stop Me  
I Got Your Key  
You Cannot Turn Back  
I Got You On My Track  
I Fooled You With A Lie  
And You Did Not Deny  
I Fooled You With A Lie  
An You Did Not Deny  
I Was Fooling You  
Cause You Never Knew
