

# All I Want For Christmas

## Anthem Lights

I don't want a lot for Christmas  
There is just one thing I need  
I don't care about those presents  
Underneath the Christmas tree

I just want you for my own  
More than you could ever know  
Make my wish come true  
You know that all I want for Christmas is you

I won't ask for much this Christmas  
I won't even wish for snow  
I'm just gonna keep on waiting  
Underneath the mistletoe

There's no sense in hanging stockings  
There upon the fireplace  
Cause Santa, he won't make me happy  
With a toy on Christmas day

I just want you here tonight  
Holding onto me so tight  
Girl, what can I do?  
All I want for Christmas is you

All the lights are shining  
So brightly everywhere  
And the sound of children's  
Laughter fills the air

And everyone is singing  
I hear those sleigh bells ringing  
Santa won't you bring me the one I really love  
Won't you please bring my baby to me

I don't want a lot for Christmas  
This is all I'm asking for  
I just wanna see my baby  
Standing right outside my door

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you

Is you  
All I want  
All I want  
You...
