

## Best Of 2013 Mash-Up

### Anthem Lights

Baby, you're a song  
You make me wanna roll my windows down and cruise

In the beginning  
I never thought it would be you  
When we were chillin' and smiling in the photobooth  
We got closer  
Soon you were eating off my spoon  
And coming over and we would talk all afternoon

And it's dark in a cold December  
I've got you to keep me warm  
If you're broken, I will mend you  
And I'll keep you sheltered from the storm that's raging on

Tonight take me to the other side  
Sparks fly like the Fourth of July  
Just take me to the other side  
I see that sexy look in your eyes  
And I know we ain't friends anymore  
If we walk down this road  
We'll be lovers for sure  
So tonight kiss me like it's do or die  
And take me to the other side

I'm out of touch, I'm out of love  
I'll pick you up when you're getting down  
And out of all these things I've done  
I think I love you better now

I just wanna know you better, know you better, know you better now  
I just wanna know you better, know you better, know you better now

I really wanna love somebody  
I really wanna dance the night away  
I know we're only half way there  
But you take me all the way  
You take me all the way

If our love is tragedy, why are you my remedy  
If our love's insanity, why are you my clarity

Not really sure how to feel about it  
Something in the way you move  
It makes me feel like I can't live without you  
It takes me all the way  
I want you to stay

If our love is tragedy, why are you my remedy  
(I want you to stay)  
If our love's insanity, why are you my clarity  
(I want you to stay)

I've got my ticket for the long way 'round  
The one with the prettiest of views  
And I sure would like some sweet company  
And I'm leaving tomorrow, whaddya say

I need your love  
(If our love is tragedy)  
I really wanna love somebody

I need your love  
(If our love's insanity)  
I really wanna love somebody

Na na na na na na na, hey, hey, hey  
Na na na na na na na, hey, hey, hey, hey, Anthem Lights

Can we go back, this is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us

Can we go back, this is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us
