

Grown-Up Christmas List

Anthem Lights

Do you remember me
I sat upon your knee
I wrote to you with childhood fantasies

Well, I'm all grown up now
Can you still help somehow
I'm not a child but my heart can still dream

So here's my lifelong wish
My grown-up Christmas list
Not for myself but for a world in need

No more lives torn apart
That war's would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end
This is my grown-up Christmas list

As children we believed
The grandest sight to see
Was something lovely wrapped beneath our tree

Well, heaven surely knows
Packages and bows
Could never heal a hurting human soul

What is this illusion called the innocence of youth
Maybe only in our blind belief can we ever find the truth
