

Let It Go

Anthem Lights

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation,
And it looks like I'm the king

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried

Don't let them in, don't let them see
Be the good man you always have to be
Conceal, don't feel, don't let them know
Well, now they know

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care
What they're going to say
Let the storm rage on
The cold never bothered me anyway

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me
I'm free

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand
And here I'll stay
Let the storm rage on...

Just a small town girl
Living in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect man is gone (let it go)
Here I stand
In the light of day
Let the storm rage on
Don't stop believin'
The cold never bothered me anyway
