

That's What I'm Looking For

Anthem Lights

Ok, here we go, Roll that thing
Hey, Chad man, can I get some voice lessons from you?
Laughter
Bro....Come on!
What?!
My band mates are ridiculous
Alright, Sing Caleb

Pretty girl walking down the street
I liked your smile
When you looked at me, oh oh
Do you know what I'm looking for?
(What's he looking for?)
(Does anybody know?)
Not a face at a magazine
Don't need a girl on a movie screen, oh oh
It's not what I'm looking for
(Oh it's not, ok...)
(I'm hungry..... for guacamole)

I know there's something more
(Ha)
(Here we go!)

Hey girl, I gotta be honest
Truth is all I really want is
Someone who knows who they are
Beauty found inside her heart
I want her to be modest
That kind of girl is hottest
A lady living for the Lord
Just so ya know
That's what I'm looking for
(ohhh, ohhh, ohhhh, ohh, ohhh, ohhh)

Fake smile and her fancy hair
(Look at that hair)
Airbrushed skin can not compare
(Tell em Joe!)
oh oh
To the one that I'm looking for

(Oh yea.... I know what you mean
Check this out, Listen up!)

Glows just like the morning sun
Shows God's love to everyone oh oh
(Alan would be spiritual...)
That's what I'm looking for

(Ok, guys that sounds like a little bit much)

Hey girl I gotta be honest
Truth is all I really want is
Someone who knows who they are
Beauty found inside her heart

I want her to be modest
That kind of girl is hottest
A lady living for the Lord
Just so you know
That's what I'm looking for

That girl's gonna be worth it
For me she's gonna be perfect
Till then I'm gonna keep searching

(Break down, Anthem Lights... Is that leopard on your shoe?)
(Do you guys smell that? Nick Barrell!!)
(Everybody back! Lets go, go, go)

I want her to be modest
That kind of girl is hottest
A lady living for the Lord
Just so you just so you know ohoh

Hey girl I gotta be honest
(Hey girl)
Truth is all I really want is
(What's up girl?)
Someone who knows who they are
Beauty found inside her heart
I want her to be modest
(Be modest girl)
That kind of girl is hottest
A lady living for the Lord
Just so you know
That's what I'm looking for
(ohhh, ohhh, oooohh)

(I love you Baby)
Just so you know
That's what I'm looking for

(Hey, you never call me anymore)
(Laughter)
(What, I'm looking for)
(Ok, it's been fun)
That's what I'm looking for
(We out)
