

Enigma

Anthenora

A secret message, under water keep in silence
Beware: don't talk - don't speak or write
Storming water crushing all
Just pray and save your soul
Hellish fire through black waves
Hunting sharks killing other sharks

As pirates of unknown land
They'll keep your code
Beware of them
The enemy knows!

Enigma - a story never told
Enigma - a secret killing you

You have no secret - have no escape
You have no secret: no escape from death
Storming water crushing all
Just pray and save your soul
Hellish fire through black waves
Hunting sharks killing other sharks

As pirates of unknown land
They'll keep your code
Beware of them
The enemy knows!

Enigma - a story never told
Enigma - a secret killing you
