Anthony Callea

It takes a lot to know what is love  
It's not the big things  
But the little things  
That can mean enough  
A lot of prayers to get me through  
And there is never a day that passes by  
I don't think of you  
Oh

You showed me  
When I was young just how to grow  
You showed me  
Everything that I should know  
You showed me  
Just how to walk without your hands  
Mom you always were  
The perfect fan

You showed me how to love  
You showed me how to care  
You showed me how you'll always be there  
I wanna thank you for that time  
And I'm proud to say you're mine

You showed me  
When I was young just how to grow  
Mom you always were  
The perfect fan
