

# Ain't Enough For Me

Anthony David

Hey now

I want your kisses in the morning, yeah  
to let me know that everything will be alright  
I wanna touch you every night before I go to sleep  
to let you know that everything will be just fine

Whenever your happy,  
it makes me happy  
I wanna be there for you  
and do whatever makes you smile

We only get to see eachother every now and then  
and you know I'm grateful for that time

It's just not

It really ain't enough for me  
It really ain't enough for me  
I really need to have you here by my side  
It really ain't enough for me  
It really ain't enough for me  
I really need to have you here by my side

I wanna see you when I get home from work  
to let go of the worries and the problems of the day  
I can listen, sittin' right outside of the shower curtain  
and we can both call in and we can spend a lazy day

Whatever makes you happy  
it makes me happy  
I wanna be there for you  
and do whatever makes you smile

We only get to see eachother every now and then  
and you know I'm really grateful for that time

It's just not

It really ain't enough for me  
It really ain't enough for me  
I really need to have you here by my side  
It really ain't enough for me, darlin'  
It really ain't enough for me  
I really need to have you here in my life
