

# Hallelujah

Anthony Evans

Whom have I in Heaven but you  
But you my Jesus  
There's nothing on earth I desire but you  
But you my Jesus  
My heart may fail  
But your love prevails  
Enduring forever

[Chorus:]  
Hallelujah  
Forever exalted  
Your name will be lifted on high  
Lord I cry  
Hallelujah  
Savior you are my refuge and my strength  
All that's within me will sing  
Hallelujah

Your righteousness covers me all of my days  
Your right hand leads me  
My enemies fall at the sound of your name  
You are with me  
Through your blood  
I've overcome  
To you be the glory

[Chorus]

I'll join with the heavens the angels and Saints  
I will lift up my voice and I'll proclaim  
You're marvelous  
You're wonderful  
You're worthy of all my praise

[Chorus]
