

# The Way You Love Me

Anthony Evans

This heart breaks slowly  
Tell me what are you doing to me  
When I prayed do what it takes  
I didn't know I'd lose everything  
Everything that meant anything to me is gone  
How could something so right go so wrong

[Chorus:]

It is the hurt that breaks me  
And it's the pain that pulls me to my knees  
And the tears they've changed me  
Til what I couldn't see  
Becomes so clear to me  
This is the way  
The way that you love me

My way destroyed me  
I couldn't see I was my worst enemy  
So you took away til my soul ached  
And I knew that it was no mistake  
That everything that meant anything to me was gone  
Now something right has to come from this wrong

[Chorus]

You loved me so much that you let me  
You let me fall knowing that I would loose it all and hear your  
call  
You love me so much that you chase me  
When I ran away you captured me by letting me run to the end of  
myself  
To the end of myself and this is way you love
