

You Deserve

Anthony Evans

As I consider who You are
How You deliver and heal my scars
You're the forgiver of my wrong
You're the source of my song

I will lift up Your Name
From my heart I will say
That You are worthy of the glory
And the reason for my praise

I will worship my king
You deserve this offering
From the depths of my soul
I want this life to let you know
That you deserve
(Glory and honor)
You deserve
(Wisdom and power)
You deserve
(Belongs to You forever)
That's what You deserve

My refuge in the storm
You give direction bring me home
You come to my rescue when I'm lost
And because of who You are

I will lift up Your Name
From my heart I will say
That You are worthy of the glory
And the reason for my praise

I will worship my king
You deserve this offering
From the depths of my soul
I want this life to let you know
That you deserve
(Glory and honor)
You deserve
(Wisdom and power)
You deserve
(Belongs to You forever)
That's what You deserve

When I think of who You are
And what You've done
In spite of me
I just have to say
(I have to say)
I wanna say
(I wanna say)

I will worship my king
You deserve this offering
From the depths of my soul
I want this life to let you know
That you deserve

(Glory and honor)
You deserve
(Wisdom and power)
You deserve
(Belongs to You Oh God)
That's what You deserve
(Glory and honor)
You deserve
(Wisdom and power)
Belongs to You Oh God
That's what You deserve

You deserve it
That's what You deserve
It belongs to You
That's what You deserve

(Glory and Honor)
You deserve
(Wisdom and power)
Belongs to You Oh God
You deserve

You deserve it
That's what You deserve
It belongs to You
That's what You deserve

Forever and ever

That's what You deserve
