

## Best of Me

Anthony Hamilton

It's simple, I love it, having you near me, having you here  
Our conversations, outrageous  
You smile, and I smile then I say  
Boo, this getting personal, personal, personal  
Let's stay for a while and play  
Girl let's make this a moment

Giving you the best of me, amazing, lady, amazing, baby  
Having you close to me, amazing, outrageous  
Give your best to me

Good morning, here's breakfast  
Lost track of time but, we had a ball  
Let's catch a movie, then dinner  
Tonight's the night we'll  
Just wild, and stay, hey  
Let's stay personal, personal, personal  
Let's stay for a while and play  
Such a beautiful moment

Giving you the best of me, amazing, amazing  
Having you close to me, amazing, outrageous  
Give your best to me  
Giving you the best of me, amazing, amazing  
Having you close to me, amazing, outrageous  
Give your best to me

Giving you the best of me, amazing, amazing  
Having you close to me, amazing, outrageous  
Give your best to me  
Giving you the best of me, amazing, amazing  
Having you close to me, amazing, outrageous  
Give your best to me
