

Best of Me

Anthony Hamilton

It's simple, I love it, having you near me, having you here
Our conversations, outrageous
You smile, and I smile then I say
Boo, this getting personal, personal, personal
Let's stay for a while and play
Girl let's make this a moment

Giving you the best of me, amazing, lady, amazing, baby
Having you close to me, amazing, outrageous
Give your best to me

Good morning, here's breakfast
Lost track of time but, we had a ball
Let's catch a movie, then dinner
Tonight's the night we'll
Just wild, and stay, hey
Let's stay personal, personal, personal
Let's stay for a while and play
Such a beautiful moment

Giving you the best of me, amazing, amazing
Having you close to me, amazing, outrageous
Give your best to me
Giving you the best of me, amazing, amazing
Having you close to me, amazing, outrageous
Give your best to me

Giving you the best of me, amazing, amazing
Having you close to me, amazing, outrageous
Give your best to me
Giving you the best of me, amazing, amazing
Having you close to me, amazing, outrageous
Give your best to me
