

# Comin' from Where I'm From

Anthony Hamilton

Sittin here guess I didn't make bail  
Got time and a story to tell  
Started when I was nine years old  
Woke up my daddy was gone  
I started hustlin they couldn't tell me nothin  
Frontin in the hood tryin to be somebody  
My soul was on empty  
I was searchin for something

Tried to be good; Tried to keep from trouble  
Livin too fast; Tryin to make good on a hustle

Sometimes it gets rough  
Comin from where I'm from, I'm from  
Times got hard  
Comin from where I'm from, I'm from  
Some times you gotta walk to work (yeah)  
Comin from where I'm from, I'm from  
Sometimes you gotta do a little dirt

Wasn't really lookin guess I found it  
Five foot three, light brown skin  
Comin from the university  
Nice style, lookin kinda lovely  
Didn't know she had much game  
Down to ride out, even take the train  
Even took her to a poker game  
She's top notch from fried chicken to sushi

Tried to be good, (I tried) tried to treat you like a lady  
Tried to be a friend, turned out that you were shady

Sometimes it gets lonely  
Comin from where I'm from, I'm from  
Thangs aint what they seem to be  
Comin from where I'm from, I'm from  
Sometimes you get a little angry  
Comin from where I'm from, I'm from  
Sometimes you get the best of me

Well, tried to be good (I tried)  
Wanted nothing but to love somebody  
Didn't wanna die young  
Steady hustlin tryin to feed my family  
Too scared to have kids  
And do like daddy did  
Cuz I'm so scared of failin  
Sometimes it gets hard  
Comin from where I'm from

Comin from where I'm, I'm from  
Sometimes you gotta moan  
Comin from where I'm from, I'm from  
Sometimes you gotta cry a little bit louder  
Comin from where I'm from, I'm from  
Sometimes you gotta fight the pain  
Comin from where I'm from, I'm from

Sometimes you gotta walk alone  
Comin from where I'm from, I'm from  
Sometimes you get a little worried  
Comin from where I'm from, I'm from  
Sometimes you get lost outta touch  
Comin from where I'm from, I'm from  
Sometimes I think I pray a little bit too much  
Comin from where I'm from, I'm from

Sometimes I get a little scared  
Comin from where I'm from, I'm from
