Her Heart

Anthony Hamilton

I had a habit of messing up Staying out late and getting drunk I let you down a thousand times Broken promises It's like I ran away from you My career was my excuse Until I saw you about to drown in your own tears

And as you cried in my arms You woke up my heart And I saw again what I found in you Cuz her heart, her heart wont let me lose her No matter how I try I just cant say goodbye and lose her

When all the folks were said and done You were there to welcome me home I was convicted cuz your love never wavered I know you love me more than me And you vowed to love through anything I never had a kind of love that was forever

And as you cried in my arms You woke up my heart And I saw again what I found in you Cuz her love, her love wont let me lose her No matter how I try I just cant say goodbye and lose her

Cuz her heart, her heart wont let me lose her No matter how hard I try I just cant say goodbye and lose her No matter how hard I try I just cant say goodbye and lose her No matter how I try I just cant say goodbye and lose her
